Some dishes may contain traces of nuts. Please let us know if you have special dietary requirements or allergies and we'll do our best to accommodate your needs. Allergen information is created using data from our carefully selected approved suppliers. Whilst every care has been taken to ensure that cross-contamination is minimal with regard to our kitchen processes and ingredients, such instances may arise, due to the nature of food preparation this could alter the accuracy of the allergen information provided. We would therefore recommend that you do not rely solely on this information.
